## RES Welcome to the 2018-19 School Year!

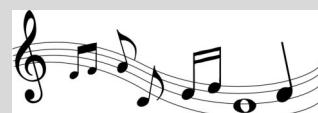

shutterstock · 172735040

### Some points of interest:

- **Fridays are school spirit days. Students and Staff should plan to wear Richford gear or maroon and white to show school pride!**
- **Fridays are also the day that Friday Folders come home with important papers like sports and after school sign ups, newsletters, progress reports, and music notices. Please return the folder on Monday, so your child's teacher can fill it again.**
- **The PTO freshened the play area paint on the parking lot. Thanks! It looks great!**
- **Please remember to let Trish know of any bus changes as early in the day as possible. Everyone is getting better at this each year and it helps us get students to the right dismissal points at the end of the day.**
- **The handbook went home this week. Look it over when you have a chance. It will help you find out about any updated policies and procedures, current staff list etc.**
- **Know that our year is off to a great start and we are thrilled to have your student and family as part of our RES school community!**

## UPCOMING EVENTS

- ◆ **September 3rd—Labor Day  
No School**
- ◆ **September 18th—Picture  
Day!**
